

Architectural floor plan showing a central corridor and multiple rooms. The plan is bounded by 'E.M.' (External Medium) on the left and right, and 'E.M.' (External Medium) at the top and bottom.

Rooms and their dimensions:

- C421 20x20, C422 20x20, C423 20x20 (Top row)
- C418 20x20, C419 20x20, C420 20x20 (Second row)
- C415 20x20, C416 20x20, C417 20x20 (Third row)
- C412 20x20, C413 20x20, C414 20x20 (Fourth row)
- C410 20x20, C411 20x20 (Bottom row)

Enclosure types (Enc Sup) are indicated for various rooms and the central corridor:

- Enc Sup 20x20 (Top and bottom walls, and central corridor)
- Enc Sup 15x20 (Middle section walls)

The plan includes a central corridor and a large open area at the bottom, marked with a triangle.
